

flag_stable_cohorts

```
graph LR; A[flag_stable_cohorts] --> B[is_resolvable]
```

A diagram showing a relationship between two variables. On the left is a gray rectangular box with a black border containing the text 'flag_stable_cohorts'. A dark blue arrow points from the right side of this box to a white rectangular box with a black border on the right, which contains the text 'is_resolvable'.

is_resolvable
