

therm\_lib::qslf

```
graph LR; A[therm_lib::qslf] --> B[therm_lib::eslf]
```

A diagram showing a relationship between two identifiers. On the left, a gray rectangular box contains the text 'therm\_lib::qslf'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'therm\_lib::eslf'. Both boxes have a black border.

therm\_lib::eslf
