

update_patch_thermo
_fmean

```
graph LR; A[update_patch_thermo_fmean] --> B[therm_lib::idealdenssh]
```

A diagram showing a call from a function to a library function. On the left, a gray rectangular box contains the text 'update_patch_thermo_fmean'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'therm_lib::idealdenssh'.

therm_lib::idealdenssh
